## Rec Plus Program 2009/10 Season

Team Manager/Coach Instructions,

The Rec Plus indoor soccer program at Off The Wall Sports is a unique program just for recreational soccer players. By giving the recreational players in your club and age group a chance to be on your Rec Plus team, you will be helping them to have a great time playing the fun, fast paced game of indoor soccer. Indoor soccer has previously been enjoyed primarily by travel players, but now, Off The Wall Sports has decided to open up indoor soccer for recreational players.

By building a team, your club will benefit, too. That's right! For each player who signs up and plays on your team your club earns a rebate. This rebate can accumulate into a substantial sum for your club. So, let's get started right away!

Building a team is simple. All you have to do is fill out the form below and fax it, mail it or bring it into Off The Wall Sports. Or, just call us at 317 580-5900 and we'll get you started right now. Then, you simply make a few calls and invite the players who you want to play on your team. You'll be playing along with other recreational clubs in the area and no travel players are permitted. So, choose your players and get them started.

When you create your team, you will assign a "secret code" to it for registration purposes. Only players who are invited can join your team and they must have the secret code to sign up. Simply call or email each player you would like to have on the team and supply them with the code. Then, have them go to [www.offthewallsports.net](http://www.offthewallsports.net) and click on Rec Plus. From there, they will be given the option to click on your club logo to register. They can then register online by supplying the "secret code" that you gave them. They can register by mail or in person if they prefer, but either way, they don't get on the team without the code. This gives you control over your roster.

Pricing: Rec Plus Indoor Soccer costs \$125 per player for 2 practices, an indoor soccer coaches' clinic and 8 games. There are no additional charges. The fee includes the players' membership/player pass and no admission is charged to spectators.

So, you see, it's really quite simple. Call us today and let's get your team started!
