# Lil' Kickers

Ages 18 months - 9 years

## Learning Fueled By Fun!

### What should my child wear?

Participants should wear comfortable clothing and comfortable shoes to run around in. Shin guards and soccer shoes are allowed but not required. Lil' Kickers uniforms are given to new customers for free. Additional uniforms are available for purchase. Wearing the Lil' Kickers uniform is a fun way to make your child feel a part of the team. Kids naturally appreciate looking like older uniformed kids and role models.

### How long are your sessions?

We offer four sessions a year (Fall, Winter, Spring, Summer) that last approximately 12 weeks.

### Can I join in the middle of the session?

Yes! We offer open enrollment so you can join anytime. Class fees are prorated, meaning that you pay only for the remaining classes and not the full session fee.

### What is your make-up policy?

Make-up classes can be made based on availability. Make-up classes must be rescheduled within the current session. We do our very best to accommodate your requests.

### How long are each classes?

Each of our classes lasts 50 minutes with a water break halfway through, so be prepared with a water bottle. Between classes, there is a 5-10-minute break.

### What is your policy for accommodating children with special needs?

Lil' Kickers is an inclusive program for children with special needs as long as we can assist them appropriately. Please contact your Lil' Kickers Coordinators for more information on where your child with special needs fits.

### How is Lil' Kickers different than other programs?

While many soccer programs use traditional soccer drills to teach soccer fundamentals. Lil' Kickers uses a child-centered perspective and makes learning fun for kids. Our coaching methodology uses special techniques designed around how kids naturally learn, building social, emotional, and conscientious individuals on and off the soccer field.

### How is Skills Institute different than other programs?

While many soccer programs are busy using traditional methods to teach the technical aspects of soccer in a large group or team setting, Skills Institute maintains smaller group sizes with a focus on where each player is at developmentally. Our goals are to educate, develop, and inspire kids to learn and love the game of soccer. We do this by teaching kids the skills needed to progress to an academy or travel club.
